CITIZENS OF THE WORLD UNITE

The world is demanding from us, the class of 1961, a sense of recognition and equality. Our goals and interests as citizens of an aroused world must meet the challenge of man and all his diversities, aware that only on the surface men are unrelated. In other words we must adopt the unifying thread of citizenship, which initiates responsibility, intelligent activity, and compassion for mankind as contained within the doctrines of Democracy.

Knowledge gained through education from one's family, school, religion, and friends is a key factor. Through experience and self realization evolve values and personal codes of behavior. This is philosophy. Since it is the directing influence in one's life, philosophy must encompass the fact that every member of society exerts a social, economic, or political force upon those about him, and therefore enters within the realm of universal concern. Vast resources of human achievements and ideas are often unrecognized so they stagnate and disappear while many problems are left to fester, and finally erupt into boiling resentment because of prejudice, self-interest, fear, and ignorance. We, as young Americans, must correct these errors before the wold destroys itself in misunderstanding and hate.

The great conflict between Democracy and Communism has forced the United States to fight for its ideals and very existence through our industrial, intellectual, and humanitarian endeavors. However, Democracy itself supplies enough goals for men to strive for without the threat of world-wide totalitarian citizenship. We must not fail this great challenge, because if we do the idea of Democracy will fall into oblivion with us. The fight for the recognition of the dignity of man, created in the image of God, must not cease until this truth is universally accepted as reality. We are the hope, faith, and proof of freedom. We must not fail.

FACULTY

At all times we are a part of education — education for life, and education for a life of serving and helping our fellow men.

Mrs. Churchill

The good citizen, to paraphrase Edward Bok, is one who leaves the world a bit better or more beautiful because he has lived in it.

DEDICATION

THOMAS PADDEN

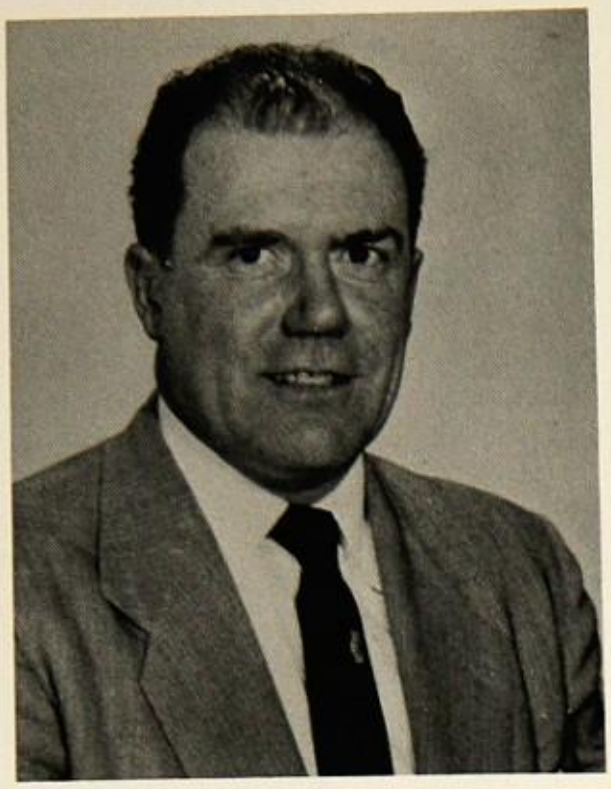
To you, Mr. Thomas Padden, we the class of 1961 dedicate our yearbook. This dedication can only express a small part of the thanks which we owe you.

For the last two years, you helped us tirelessly on the road toward our final senior activities and graduation.

Mr. Padden, you have helped us over many of the rough spots that we have faced and you have spent countless hours working for us, only because — for some strange reason you liked us.

What can we say? How can we show our appreciation? All we can do is dedicate to you our book, THE 1961 CHRONICLE, and say wholeheartedly, "Thank you very much, Mr. Padden."

IN APPRECIATION



MR. GEORGE KLOSS

A rather motley crew entered the portals of S.H.S. in 1956, and it was your chosen task, Mr. Kloss, to advise this eighth grade class in its activities.

For three years you taught us, aided us, and guided us. Your advice in those three years molded the future of our class. You built the foundation for the class of 1961.

We thank you, Mr. Kloss, for your patience, work, and guidance in those early years of our class history.

MRS. SONYA GOOGINS

Although you were only at S.H.S. for one year, you gave yourself in that one year to aid our class. You were not only a teacher, but an advisor and friend as well.

You helped us through the confusion and hard work of our first production, THE SOPHOMORE SHOW. You spent many of your hours writing and directing, always ready to help our class.

We wish to extend our sincere appreciation to you for the time and energy you gave to us. Thank you again.

MR. RAYMOND JOYAL

This 1961 Chronicle is largely a result of your work and guidance, Mr. Joyal. Without your care this very special book might never have been published in this form. We wish to mention our special thanks to you here so that we can always remember your concern for us.

SENIOR CLASS OFFICERS

Dear Classmates,

The time has now come for us to face the future of which we are an integral part. After twelve years of education, we must assume our position in society. We are the young adults of the world and it is our task to make the future a bright and prosperous one. Though it will be the greatest task which we shall have to face, it will be a challenge which, I feel, we are well prepared to meet.

To serve as your class president for four years was an honor and a great experience. I would like to take this opportunity to thank all of you for your cooperation in our many class endeavors. It was you who made them worthwhile and successful.

In closing I would like to say that life is a wonderful experience so before you do anything which might hurt it, stop and think for a moment. Whom are you going to hurt by what you might do? God put you here for some reason so, to the best of your ability, help yourself and Him by attaining your goal in life. May God bless you.

Sincerely,
ANN MARIE TARFANO
president,

CLASS POEM

From a gurgling spring
Were we born
Into the unknown world.

To the babbling brook
Were we carried
By our elders.

To the swift stream
Were we led
A bit the wiser.

And the running river
Were we shown
From afar.

Ahead lies the ocean
To conquer
On our own.

With God
As our protector,
May we ne'er be
Swallowed
By this earth.
For here lies
The world within all worlds —
The world of unity
And individuality.

May we prove ourselves!

THE KNIGHTLY NEWS

BULLETIN — BULLETIN

A new class entered Southington High School in September 1957. The Knightly News predicts that this class of "61" will do great things for S.H.S.

FIRST ELECTION HELD

The class of "61" held its first election bringing into office, president, Ann Marie Tarfano; vice-president, Gordon Gregoretti; secretary, Nicole Darling; treasurer, Donald Kowalski. Mr. George Kloss served as our first class advisor.

FRESHMAN SPORTS

The first sport activity that our boys participated in was football. This fabulous team consisted of Mike Grablowski, Tom Ungaro, Don Kowalski, Dennis Musto, John Spain, Jim Theriault, Gil Varjas, Mike Alfieri, Rit Dawson, Bill Harwood, Halsey Mann, Rit Salerno, Mike Schumann, Bill Wink, and Joe Zysk.

The second sport our boys tried was basketball. Members of this team were Bob DeLuco, Don Kowalski, Larry DeSando, Francis Fiondella, Mike Grablowski, Gordon Gregoretti, Bob Grubenmann, Dennis Musto, John Nigro, Terry Porter, Ralph Salerno, Ray Shaw, John Spain, Rit Thompson, Tom Ungaro, Jim Theriault, and Gil Varjas.

SOCIETY

Diane DellaVecchia and Rit Dawson were crowned queen and king of the Freshman Football Dance.

MAGAZINE CAMPAIGN

The magazine drive put the babies of the school in second place after the departure of "Curly" Davis.

CUPID'S ARRIVAL

Marilyn Wentworth and Ronald Sabatino were voted pages of the Valentine Dance.

FRESHMEN DEPART

June arrived and the Freshmen began their summer holiday as Sophomores.

SUMMER'S GONE

With school back in session the Sophomores took on the task of electing class officers for their second year at S.H.S. Those elected to office were Ann Marie Tarfano as president, Anita Simone as vice-president, Joanne Crispino as secretary, and Rita Lazauskas as treasurer. Mrs. Sonja Googins was added to our advisory board.

MAJORETTES PERFORM

Seven Sophomore girls performed as majorettes. They were Charlotte Baldini, Joyce Francis, Audrey Marks, Diane Sager, Sandy Seilonen, Valerie Stetson, and Beverly Stymist.

"STOLEN TIME"

The class of 1961 put on their first production for the public in the form of "Stolen Time" under the direction of Peg Lewis and Bill Harwood. This outstanding achievement of the Sophomore class was held on April 17 and 18, 1959 in the High School auditorium.

STUDENT COUNCIL DELEGATES

Four members of the Southington High School student council, two being Sophomores, were elected to attend a student council convention at Yale University. The two Sophomores were Ann Marie Tarfano and Tina Burroughs.

VALENTINE PAGES

Jimmy and Anne Theriault elected Sophomore pages at the annual Valentine Dance sponsored by the Senior class.

ONE SOPHOMORE

Congratulations to Nicole Darling who was the only Sophomore from Southington High School to participate in the All State concert.

SOPHOMORES DEPART

We have now reached the end of two years in high school and eagerly anticipate the last two which will be the most exciting and challenging.

SEPTEMBER 1959

Well, finally we can be called upperclassmen. The first thing the class of "61" undertook was the election of Ann Marie Tarfano as president, Fred Eckart as vice-president, Nicole Darling as secretary, and Patty Manware as treasurer. Mr. Thomas Padden took over the task of advising us.

CHEERLEADERS

Our Junior rahrah girls selected were Cheryl Lawson, Midge DellaVecchia, Ronnie Mirisola, Valerie Stetson, and Claudia DellaBitta.

RINGS ON THEIR FINGERS

The job of deciding on round or square rings was left up to Polly Delahunty and her committee made up of Anita Simone, Helen Blanchard, Bob Foley, Fred Eckart, and Rit Thompson.

MISTY SEA

Our first prom, "Misty Sea", was held on January 30, 1960 under the fine leadership of Patty Manware and Walter Wilkes. Our king and queen, Tom Ungaro and Ivy Vidito, enhanced the depths of our "Misty Sea".

CUPID POINTS HIS ARROW

Once again voting took place to select two Junior pages for the Valentine Dance. Chosen for this honor were Dom Mongillo and Ann Marie Tarfano.

CURLY COMES AND GOES

This time we placed fourth in the annual magazine drive. I have a sneaky feeling that it was due to the letdown the Juniors received when they were told that they couldn't sell candy during cafeteria period.

COLLEGE HERE WE COME

Under the direction of Polly Delahunty and Mr. Padden, the Junior Show, "Good News", was held on April 29 and 30, 1960. Colleges never knew fun until the class of "61" showed them how it was done.

JUNIOR RECITAL

Winners of our Junior Recital were Jeanne Falcetta and Sandy Seilonen. Other participants were Tina Burroughs, Merinda DePaolo, Bill Harwood, Marcia Lewis, Mary Malinowski, Pat Manware, and Marilyn Wentworth.

N.H.S. INDUCTION

On April 20, 1960, twenty Juniors were inducted into the National Honor Society. Those who were chosen members were Barbara Banville, Janet Bell, Nicole Darling, Diane DellaVecchia, Larry DeSando, Theodore Doubleday, Jeanne Falcetta, Janice Folcik, Mary Lou Foley, Patricia Guerin, Bill Harwood, Bob Hurle, Dominic Mongillo, Janet Papallo, Janice Sawyer, Sandra Seilonen, Susan Stellwagen, Valerie Stetson, Marilyn Wentworth, and Dave Zychowski.

ALL STATE

Two members of our class were chosen to participate in the All State concert. They were Nicole Darling and Janice Folcik.

HEADLINES

Tina Burroughs, Ann Marie Tarfano, John Spain, and Rit Thompson were chosen to attend the annual Laurel Girl's State and Nutmeg Boy's State Conference on the campus of the University of Connecticut.

CHRONICLE

Nicole Darling and Bill Harwood are responsible for publishing our 1961 edition of The Chronicle.

VACATION

Summer is here and many of us are holding down jobs to help keep up the expenses that we've been piling up since our first year at Southington High School.

HONORED SENIORS

Before our summer vacation was over, our "busy as a bee" class officers were planning our Senior calendar. Once again Ann Marie Tarfano was our president and Fred Eckart our vice-president. Our new secretary was Ronnie Mirisola and Patty Manware had the job of collecting dues. Mr. Padden was still our advisor.

HOTDOGS — HOTDOGS

Because of our lean treasury the Senior class took on the task of selling hotdogs, etc. at the football games. This added $200 to our treasury.

TO SPARK THE TEAM

The Senior Cheerleaders who worked hard for our boys were co-captains, Valerie Stetson and Claudia DellaBitta, along with Marcia Lewis, Midge DellaVecchia, and Cheryl Lawson.

SENIOR PLAY

Our Senior Play, The Male Animal, was held on December 2 and 3, 1960. Under the direction of Mr. Padden and the co-chairmen, Bob Foley and Marilyn Wentworth, the play resulted in a success as usual.

SENIOR FIRST

The Senior class held the first Alumni Ball at Southington High School on December 17, 1960. Co-chairmen of this fabulous affair were also delighted to see so many alumni at the dance.

VALENTINE DANCE

The annual Valentine Dance was held on February 11, 1961. The co-chairmen of this event were Fred Eckart and Merinda DePaolo.

JAN AND NICOLE DO IT AGAIN

Janice Folcik and Nicole Darling again were chosen to participate in the annual All State concert.

VARSITY SPORTS

The Senior boys have invaded the varsity sports. Senior boys on the football team were Gil Varjas and Jimmy Theriault as co-captains along with Rit Chopus, Pat Carmody, Dennis Musto, Bill Harwood, Terry Porter, Dom Mongillo, Joe Zysk, John Binkerd, Dave Wright, and Mike Schumann. Cross Country captain was Fred Eckart. Senior basketball stars included Ralph Salerno, captain, and Gil Varjas, and Rit Chopus. Our baseball team consisted of Rit Chopus and Dave Zychowski as co-captains along with Gil Varjas, Bob Lasbury, Bob Scott, and John Spain. George Casale and Dave Wright led the track team made up of John Binkerd, Mike Schumann, Terry Porter, Ray Shaw, Jack Hanecak, Dennis Musto, Bill Harwood, and Ralph Salerno. The girls at Southington High School also indulge in sport activities, mainly field hockey and basketball. Field Hockey captain was Tina Burroughs and other members of the team were Julie Henderson, Mary Jane Mongillo, Polly Delahunty, Ann Mycka, MaryAnn Bugnacki, Audrey Marks, Mary Polka, and Janet Bell.

FINIS

The editors of "The Knightly News" sincerely hope that you have enjoyed this brief account of our four years at S.H.S. and are sure that you agree with our prediction that the Class of "61" would do great things.

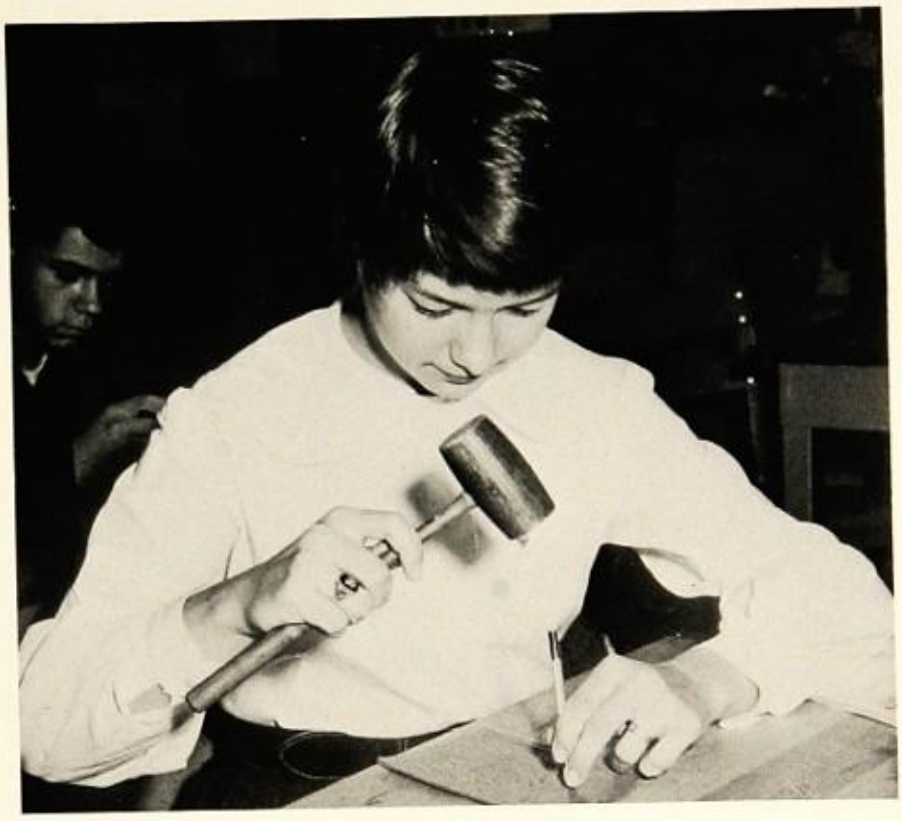
THE CURRICULUM AT S.H.S.

The fascinating world of electrons is explored in Chemistry class.

Biology students curiously examine the structure of the human body.

Arts and crafts students display their wares.



Watch your finger!

A mighty punch by Dennis Lovely!

What's cooking in the homemaking room?

If intense concentration will help, Ken Willis should get an "A" in metal shop.

Anxious future homemakers carefully guide the needle.

In language lab students learn what they really sound like!

Our cafeteria staff feeds many a hungry crew!

Mr. Walsh helps students to discover their talents and assists them in making career choices.

Potential secretaries hope to pass their timings.

The National Honor Society, whose purpose is "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Southington High," is composed of the top ten percent of the Junior class and the top five percent of the Senior class. Members are chosen according to their outstanding achievements in the fields of scholarship, service, leadership, and character. To be eligible a student must have an average of 85% or better.

This year the N.H.S. sold book covers and sponsored a book drive to collect used books for the school library. Several members also organized a vocations assembly which was held on January 13, 1961. We would like to express our sincere thanks to our advisor, Mrs. Churchill.

HOMECOMING

During Homecoming week, elections were held to determine our new Homecoming queen. Along with Sally, four others were chosen to escort her in the parade before the game on Saturday. The top five girls were announced at the dance on Friday night which was a wonderful affair even though the poor football players had to get their beauty sleep by leaving early. The team climaxed the weekend with an impressive win over Croft 51-30. Special thanks are in order for Mr. John Fontana who was in charge of organizing the entire event.
